**Superior Durability**

Spend less time replacing damaged or worn lines for a better-looking, more efficient facility.
- Withstands forklift traffic without tearing or lifting
- Low-profile design minimizes tears and scratches from skids, pallet jacks, etc.
- Rugged polyester with ultra-aggressive adhesive

**Easy Application**

Quickly lay down smooth, straight lines without the help of coworkers.
- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy, uneven lines
- No special floor preparation required – just clean with common cleansers

**High Visibility**

Get the same visibility of painted floor markings — and pay less.
- High-gloss surface shines like new paint
- Low profile minimizes debris buildup along the edges that occur with thicker (extruded) floor tapes
- Surface resists marks and smudges and cleans up like new
- Available in a variety of high-impact colors
- Custom colors available

**Painless Removal**

Easily remove floor markings without damaging the floor or leaving adhesive residue.
- Does not chip or flake when being removed – comes off in one piece
- Clean removal without any sticky adhesive residue or damage to the floor

**Top 5 Best Features**

- **Superior Durability**
- **Easy Application**
- **High Visibility**
- **Painless Removal**

**Premium Floor Marking Tape**

- TOUGHSTRIPE™
- Superior Durability
- Easy Application
- High Visibility

**Visit www.BradyID.com/ToughStripe to find more information on ToughStripe™ Floor Marking, including:**
- Application Video and Instruction Sheet
- SS Floor Marking Color Standard
- Product Testing Video
- Sample Packs
- And more!
**Superior Durability**

Spend less time replacing damaged or worn lines for a better-looking, more efficient facility.
- Withstands forklift traffic without tearing or lifting
- Low-profile design minimizes tears and scratches from skids, pallet jacks, etc.
- Rounded polyester with ultra-aggressive adhesive

**Easy Application**

Quickly lay down smooth, straight lines – without the help of coworkers.
- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy, uneven lines
- No special floor preparation required – just clean with common cleansers

**High Visibility**

Get the same visibility of painted floor markings – and pay less.
- High-gloss surface shines like new paint
- No profile; minor debris buildup along the edges that occur with thicker (extruded) floor tapes
- Surface resists marks and scratches and cleans up like new
- Available in a variety of high-impact colors
- Custom colors available

**Diecut Shapes**

Utilize different shapes, colors and sizes for more effective, durable floor markings.
- Dashes, dots, arrows, footprints, and corner marks (L, T and + shapes)
- Longer lasting markings – Minimizes the risk of damage and facilitates fast repairs
- Select dashes, dots and arrows are pre-spaced on transfer tape, making it incredibly easy to lay down straight, evenly spaced lines

**Painless Removal**

Easily remove floor markings without damaging the floor or leaving adhesive residue.
- Does not chip and flake when being removed – comes off in one piece
- Glue removal without any sticky, adhesive residues or damage to the floor

Brady B-514 Floor Marking Polyester

ToughStripe™ floor marking products are made with Brady’s new B-514 polyester. ToughStripe products are ideal for marking aisles, passageways and storage locations, and pointing out important safety equipment and egress paths.

- Exceeds safety standards for clean, dry non-slip surfaces per ANSI A304-2-2006 and OSHA 1910.23
- 2 mil thickness
- Resists harsh chemicals
- Custom colors available

ToughStripe™ Print-On-Demand Floor Labels

ToughStripe™ floor tape is available in printable label cartridges, which can be used to create custom floor labels. The printable labels feature the same durability and performance as Toughstripe™ floor marking tape, making them an ideal solution for identifying designated storage locations and providing visual instructions on the shop floor.

- Easy 3-step process: print desired label from a select Brady printer, position on floor, apply: included temporary adhesive

Brady B-534 Floor Marking Signs with Anti-Skid Tread

Brady B-534 ToughStripe™ floor signs are made with Brady’s new B-534 polyester. They are specifically designed to alert workers of potential dangers and enforce protective equipment requirements.

- Exceeds safety standards for clean, dry non-slip surfaces per ANSI A304-2-2006 and OSHA 1910.22
- 3 mil thickness
- Service temperature range of 0°F – 120°F
- Resists harsh chemicals
- Black areas of signs are coated with anti-slip tread

Superior Durability

• Withstands forklift traffic without tearing or lifting
• Low-profile design minimizes wear and scratches from skids, pallet jacks, etc.
• Rugged polyester with ultra-aggressive adhesive

Easy Application

Quickly lay down smooth, straight lines – without the help of coworkers.

• Can be easily applied by one person working alone
• Stiff polyester with line prevents tape stretching and reduces wrinkles and wavy, uneven lines
• No special floor preparation required – just clean with common cleansers

High Visibility

• High-gloss surface shines like new paint
• Low profile minimizes debris buildup along the edges that occurs with thicker (extruded) floor tapes
• Surface resists marks and scratches and cleans up like new
• Available in a variety of high-impact colors
• Custom colors available

Diecut Shapes

Utilize different shapes, colors and sizes for more effective, durable floor markings.

• Dashes, dots, arrows, footprints, and corner marks (L, T and + shapes)
• Longer lasting markings – Minimizes the risk of damage and bothersome fast repeat
• Select dashes, dots and arrows are pre-spaced on transfer tape, making it incredibly easy to lay down straight, evenly spaced lines

Painless Removal

• Does not chip and flake when being removed – comes off in one piece
• Clean removal without any slightly adhesive residue or damage to the floor
